Part I Summary

Activities & Governance	1 Briefly describe the organization's mission or most significant activities: Established in 1987, Jobs with Justice Education Fund is a national organization with a network of 37+ local coalitions in 25 states engaged in organizing and public advocacy campaigns for workers' rights and economic justice. The mission of the organization is to lead the fight for workers' rights and an economy that benefits all workers. By bringing together labor, community, student, and faith voices at the national and local levels, we are creating innovative solutions to the problems workers face today. Alongside workers across the country, we lead, participate in, and support on-the-ground and online campaigns that advocate for workers' rights. Core issues we organize and advocate around include immigrant rights, corporate accountability, minimum wage, economic recovery, healthcare, and collective bargaining rights for workers.
