Did you know ...

- CRS created health networks in Cameroon and Nigeria that refer young girls to contraception providers?
- CRS implemented a program called DREAMS, which was specifically designed to promote and distribute all forms of contraception?
- CRS produced and published dozens of documents promoting condom use?
- CRS created the funding mechanism for a contraception-pushing project in Madagascar called the Mikolo Project?
- CRS admitted to allowing contraception peddlers to distribute millions of units of contraception in the Congo through Project AXxes?
